JUNE 27th

NOTE FROM THE MAYOR

Greetings Residents,
 To start, I wanted to report that the Tornado/Inclement Weather Siren is working now and it is tested every Tuesday. Summer is ramping up at the city! The guys have been out mowing in the parks and getting the pool ready for opening day, which is June 4th. The city guys have been working around town trying to clean out plugged tile intakes and cleaning up after the trees that were just trimmed on the boulevards. The shelter house that the Community Club donated to the city is going up at the south park and is scheduled to be completed by the July 4th Holiday. If you are in need of access to the city burn pile myself and all of the council members have keys, all of the cell phone numbers are listed on the city website (wesleyiowa.com). The city is having a garage & bake sale on June 2nd at the community center from 10am to 3pm. All proceeds of this sale will go towards the swimming pool repairs. I want to thank some volunteers from LuVerne Elementary for coming to Wesley and help cleaning up our parks! Our great library even treated them to some popcorn for their efforts. If you or someone you know is interested in getting involved with any of our city organizations please inquire at city hall and City Clerk Ricke will help point you in the right direction.
 Best Regards,
 Vahn Schumacher

BUSINESS OF THE MONTH KLEIN INSURANCE

This month I interviewed Mark Klein from Klein Insurance apart of Central Financial Group. Klein Insurance started in the 1950's with Leroy Klein, soon after Dave Klein and now Mark Klein as a 3rd generation of Klein's. Mark started in May of 1978 with his father Dave and will hopefully soon be sharing the same experience with his son David, who is now in the Urbandale office. Klein Insurance merged with Central Financial Group in 2003 and now has multiple offices including; Wesley, Britt, Algona, Kanawha, Emmetsburg, Spencer, Fort Dodge, Johnston, Roland, and Urbandale with 40-50 employees including 8 people in the Wesley branch.
 Where do you think the company is heading in the next 5 years?
 "Well I just think we are a declining market here so looking to grow more in the Fort Dodge and Johnston area."
 How do you market your business?
 "Try to do a good job for people; my best marketing is other people telling other people, word of mouth."
 What is your managing style?
 "Treat all the people that work for me as co-workers and work as a team."
 Does your company help the community?
 "Yes. Whether it be the Fire Department, First Responders, Community Club or the Churches. We have always tried to be a good supporter."
 Can you describe your customers and why they choose you over your competitors?
 "Most of them are my friends and I feel like they trust me to do the right thing."
 What are the biggest issues for running this business?
 "The big thing that changed for me is declining population on the farm and in town, the families that were born and raised here are little by little going away and it's a whole new bunch of people."
 If you had one piece of advice to someone just starting in this business what would it be?
 "You got to have a good attitude, work hard and be honest."
 Anything you would like to tell your customers?
 "When people ask where are you from I am proud to answer Wesley, Iowa and I would like to thank them for their loyalty over the last 40 years."

OUR MISSION

To help clients prosper and achieve financial security by delivering quality products and services with the highest levels of professionalism and integrity.
