## NOTE FROM THE MAYOR

Hello Wesley Residents,

If you have concern or complaint, I would be more than happy to talk to you about them. Call, text or leave a message. 515-341-4475

Snow will be coming so help the guys out and keep vehicles off the city streets and right of ways so they can move the snow and do not push snow onto the streets.

I would like to wish everyone a happy and safe holiday.

Thanks,

Craig Larson

**Wesley Capital Improvement Projects**

Wesley City Council needs your help on upcoming Capital Improvements. Please rank the following results and then let us know what project(s) you would like to see your City working on. Please return this to City Hall by Monday, December 6<sup>th</sup> at 4:00 PM. Thank you!  
Please use 5 as high priority and 1 as low priority.

- Northside Watermain w/ Hydrants; The purpose of this project will increase the size of the water mains and add more fire hydrants to the North side of town while improving water pressure and volume.  
1                      2                      3                      4                      5
- Update Sewer Lines; The purpose of this project is to televise and fix lines that are getting too much storm water draining into the lagoon.  
1                      2                      3                      4                      5
- Garbage Truck; The purpose of this project would be to upgrade our 30-year-old truck.  
1                      2                      3                      4                      5
- New Roads; The Purpose of this project would be to upgrade some old City streets with 4-inch gravel and 4-inch blacktop.  
1                      2                      3                      4                      5
- Dredge Lagoon; The purpose of this project is to restore and maintain capacity while ensuring optimal wastewater treatment efficiency.  
1                      2                      3                      4                      5
