LIBRARY NEWS:

Hello, everyone!

At this time, the library remains closed to the public. We are, however, moving closer to a new phase in our reopening plan! At this time, I am continuing to deliver materials to those requesting them. I can either choose titles for you based on your checkout history, or you can search the library catalog online to see if we have what you're looking for. You can also book an appointment time to come and choose your own materials! Leave a message at the library (679-4214), or shoot me a message, and we'll get you in to find what you need. (Masks are required to enter the library.) Ebooks are also available through the library if that's your thing. You can read on an iPad, Kindle, Nook, or your phone. Ask me how if you'd like to get started with that service. I have step-by-step directions, and the ebooks are also free!

If we ever don't have what you're looking for as far as materials, ASK!! I love getting new books for the library that everyone will enjoy! I always say: "If YOU like it, someone else will, too!" It's the best part of my job, finding things you enjoy!

The library internet is also available 24/7 from the comfort of your vehicle. I know MANY of you have been taking advantage of that, because my wireless stats are through the roof! That's a GREAT thing! I've also been researching Internet hotspots that will be available to check out. With Internet being so important for school/homework, we'd like to be able to make it available at your home, say, over the weekend, to make it easier for you.

As of now, we ARE planning on having the GlowRun this summer! That's become such a fun day for the library, and is the only fundraiser we have. It allows us money for extra things: Crafts for kids and adults, new movies, after school programs...FUN things. Stay tuned for more details regarding that, but keep July 3rd open to GLOW!!!

Like everyone else, I am anxious to get back to some sort of "normal". Hopefully soon, Covid case numbers decline locally, and vaccinations continue to increase. Stay tuned to Facebook and the Wesley newsletter for more information regarding the library. I can't WAIT to throw the doors back open soon and welcome you all back in for book club, movies, after school activities, and crafts!!

NOTE FROM THE MAYOR

Greetings Residents!

I hope February was good to you and your family. The city council meeting this month didn't have a large agenda. The City council approved liquor licenses for Johnny's Bar and Grill. They also approved the moving of the incoming water lines to the water to be monitored in a small building outside of City Hall. This project will happen in the summer. On February 19th we had a water main break on School and 1st street. This was a 4-inch line that had water shut off on the south side of town for several hours. Next meeting will be at the Community Center on March 8th at 6:30 pm.

Best Regards,
 Vahn Schumacher

Easter is coming up and the Easter Bunny will be visiting kids in Wesley with a little gift on the morning of Saturday, March 27. If you would like to sign up for a Bunny visit, sign up on the link provided on the Community Club and City of Wesley Facebook pages. If you need help signing up contact Mandy Glawe or Stephanie Ricke.

Chris Nygaard (320-2579) and Tracy Studer (320-0581) are in the process of collecting materials for the book we are writing for Wesley's 150th anniversary. Any current or former citizens that have pictures, family stories, historical information, etc., that they would like included please contact one of us. Likewise, for any current or former businesses/civic organizations past or present.

Business of the Month Sweet Snax By Elizabeth Watnem

Tell us a little about yourself...

I was born and raised in AZ but moved to Wesley in 2019. I originally moved here to be closer to family but I quickly realized that Wesley was my forever home. The community has been so welcoming! I have 2 amazing kids that love exploring the outdoors and making new friends. In our free time we like to play board games, color, and bake of course! They are really the brains behind this business, they come up with the best ideas.

What made you pursue this profession?

It started out as a hobby making sweets for family and friends. After positive feedback and a lot of encouragement to start a business, I took the plunge. I now have a 2nd kitchen in my home dedicated to preparing unique desserts.

Who do you consider your top competitor and why?

My top competitors are big companies such as Sherries Berries and Edible Arrangements. They are a big competitor of mine because they are well known due to their advertisements on television.

Why do your customers select you over your competition?

My customers select Sweet Snax over the big companies for several reasons. One major reason is the quality and freshness. I prepare my items the day of pick up to ensure maximum freshness. My competitors have to ship their items which could take days, resulting in low quality or expired sweets. Another reason my customers choose Sweet Snax is because our pricing is significantly less than our top competitors.
